SARAFAND
CONTRACTING CO

COMPANY PROFILE 2026

www.sarafandc.com

ABOUT US

Sarafand Contracting Company was upon the ambitions 2017 founded in of our competent and professional engineers, workers, and technicians. Throughout its years in the market, Sarafand accomplished many huge projects using different building systems such as; the Pre-Engineered

Structural Steel, American Conxtech, and Concrete Buildings which demonstrate the company's capabilities to achieve **high-quality implementation**. Sarafand follows strict work strategies to provide our clients with **the best services** and ensure delivering projects on time, in addition to highlighting each project's identity and spirit

- With a team of qualified specialists. Sarafand was able to create futuristic visions, prove leadership, and achieve excellence across the contracting sector in the Kingdom of Saudi Arabia
- Sarafand offers a variety of services including but not limited to Steel Structures Supply and installation, façade Works. Concrete Works. Warehouses Trunkey Projects with racking systems and project management, supply of MEP materials

VISION

Sarafand aspires to become all clients' first contracting and steel construction resort in the kingdom of Saudi Arabia. Our company works hard to create a channel of mutual and fruitful communication with its clients. Moreover, we strive to expand our base of partnerships to include potential and visionary clients who seek excellence

MISSION

Our company is moving steadily on its journey to **turn ambitions and visions into reality**, and provide the local market with the creativity and innovation that fulfill the Kingdom's **2030 vision**. Sarafand commits to offering exceptional services and ultimate professionalism to achieve our valued clients' goals and exceed their expectations

GOALS

- Sarafand aims to create a resonating brand all around the contracting community. Our company works passionately to understand and fulfill our clients' needs and demands, as well as provide them with exclusive solutions and ideas to meet each project's identity
- Moreover, Sarafand's founders encourage cooperation and communication to achieve harmony and unity between employees and clients. Our company aims to have work sites completely free of injuries or danger, whether to company personnel or the surrounding environment

VALUES

Because our most valued asset is our Team, Sarafand is working relentlessly to ensure a safe and **healthy work environment**, which is a prime factor in increasing productivity and innovation. Our values and principles are the cornerstones of our entity, therefore

Sarafand adopts some principles to regulate workflow. Our principles include:

Commitment and honesty

Respect

Cooperation

Devotion and accuracy

Customers' satisfaction

QUALITY AND SAFETY POLICY

Sarafand's vision is to unlock a new level of quality and innovation in the contracting sector. Our company's main goal is not only to fulfill our clients' needs and wants but rather to exceed their expectations and build new horizons of creativity

Because safety measures are fundamental in Sarafand, the company offers quality and safety training programs to ensure all the employees' awareness of its procedures and implementation

Sarafand's safety policy also includes the necessary procedures to protect the surrounding environment from the heavy machinery and materials used on the work sites. In addition, Sarafand is proudly ISO certified for Safety, Quality, and Environmental Management, reflecting its commitment to maintaining internationally recognized standards across all operations

STEEL STRUCTURE EXPERIANCE

ICONIC PROJECTS

- ICONIC PROJECTS: RSML Project
- Client: Zamil Structural Steel Co
- Scope: Steel installation, Metal deck installation, Welding Works
- Location: Redsea – KSA
- Duration: 8 Months

ConXtech Steel Projects

- Spark Admin Building
- Client: Zamil Structural Steel Co. / ARAMCO
- Scope: Steel installation, Metal deck installation • Location: Abqiq – KSA

- Aramco Innovation Center
- Client: Zamil Structural Steel Co. / ARAMCO
- Scope: Steel installation, Metal deck installation • Location: Dhahran – KSA

Rush Projects

- Riyadh Bolivard World
- Duration: 14 Days
- Scope: Supply and Installation of 300 TON

Rush Projects

- Sound Storm Project 2022
- Duration: 14 Days
- Scope: Supply and Installation of 150 TON

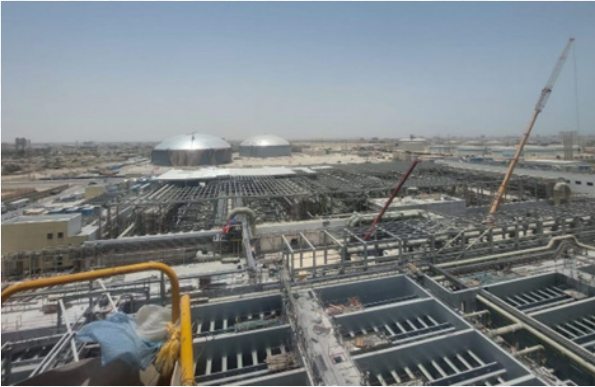

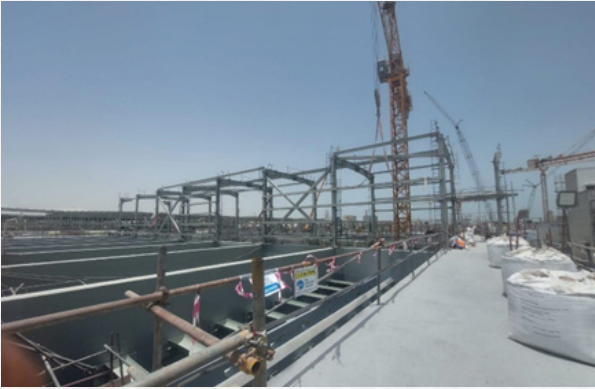

Large Scale Projects

- Neom Construction Villages
- Location: NEOM – KSA
- Area: 110,000m2 (Three Construction Villages) – Over 100 Pre-Engineered Buildings
- Scope: Steel Installation, Sandwich panel installation, Doors supply and installation, Windows Supply and installation, Handrails and Ladders installation, LGS Installation
- Duration: 13 Months
- Client: Al Fanar Projects

Large Scale Projects

- SWRO Project Al Khobar
- Location: Khobar – KSA
- Duration: 12 Months
- Area: 8000 Ton and 70,000 m2 Sandwich Panel
- Scope: Steel Installation, Sandwich panel installation

Saudi Aramco E-Reference No. 0004824

Registration Approval Letter

June 2022 ,25

Attention : SARAFAND CONTRACTING COMPANY

CR Number : 2052100715

Supplier Type: Service Provider Only

Country : Saudi Arabia

We are pleased to inform you that SARAFAND CONTRACTING COMPANY is now registered in the Saudi Aramco Supplier Management System under Vendor Code No. 10108610, provided your company continues to meet all relevant Saudi Arabian and Saudi Aramco standards.

This registration, however, should not be construed as a commitment by Saudi Aramco to procure from you. Being registered as a supplier only grants your company the opportunity, along with other registered sources, to respond to requests for submitting proposals in accordance with Saudi Aramco's established policies and procedures. All procurement instruments including but not limited to service contracts, purchase agreements, or purchase orders will be issued based on the name and address included in your commercial registration (CR), as stated in your Supplier Registration.

Saudi Aramco wishes to remind you that being recognized as a supplier carries with it serious obligations and responsibilities to act in a legal and ethical manner. We wish to remind you of the Saudi Aramco Supplier Code of Conduct (SCOC) which you acknowledged. Failure to abide by the principles set forth in the SCOC can result in adverse actions being taken by Saudi Aramco against you including suspension of you as a supplier. Saudi Aramco also expects each of its suppliers to satisfy each of the requirements of any procurement instrument which might be placed and to act responsibly and reliably as a supply chain supplier.

Material Suppliers should apply for Saudi Aramco Supplier Portal access by forwarding a request to portal-registration@aramco.com. The Supplier Portal is the main electronic business tool used between Saudi Aramco and its suppliers and serves to improve the flow and accuracy of key supply chain information.

For further information or assistance please contact the Saudi Aramco Supplier Help Desk by forwarding a request to SupplierHelpDesk@aramco.com or via the unified call center 1168-116-800 for In-Kingdom suppliers or 8950-290 (11) 966+ for Out-of-Kingdom suppliers.

Moamar Khazal Al Usaimi, Supervisor
Supplier Registration Unit
Supplier Relationship Management Div

It is the responsibility of the supplier to update Saudi Aramco Supplier Registration Profile through Ariba for the following:

1. Change of Name / Commercial Registration Number / Address / Owner(s)
2. Any change of the supplier location
3. Discontinue supply of approved commodities (9COMs and 9CATS)

This is an electronically generated letter by Saudi Aramco. To verify Supplier approval status, please contact Supplier Help Desk at supplierhelpdesk@aramco.com
